Dear Resident:

Each year all public school districts in the state of Minnesota are required by law to take a census. The purpose of this census is to serve as a tool for future planning in the areas of transportation, staffing, and facility requirements. It is important to make these projections as accurate as possible in order to use tax dollars in the most effective manner.

Please take a few minutes to complete this form. Fold and return to Spring Lake Park School. All census data is CONFIDENTIAL.

If you have any questions, please contact me at 763-785-5508 or call the District Office at 763-785-5570.

Thank you for your cooperation.

Sincerely,

Jo Ann Lattery
