# Early Release Day

**Friday, March 19, 2010 is an Early Release Day for all students in District 16. Teachers will be involved in professional development activities during this time.**

*Note: Parents have already paid for contracted Kids Club care for part of this day – this registration and payment is only for the non-contracted time required during the early release. All contracted students requiring care during this Early Dismissal time MUST register for care. Extra care is also available for students who need to stay until as late as 6:00 p.m. because there is no busing beyond the early dismissal times. Students who don't register for extra KC care will ride the bus home at the early release.*
