School
room 167 - use
entrance #29

*\$120 due at registration, \$120 due before end of classroom session (to take permit test), and
\$120 due before behind-the-wheel instruction can begin

- Students who wish to register for the 30-hours of Driver's Ed. classroom instruction AND 6 hours of behind-the-wheel in-car training should complete the form below and return it ASAP.
Classes are limited to 30 students and may fill before deadlines.
Students may not miss any hours of class. (State law requires students to be present during 30 hours of instruction - those who are not in attendance for 30 hours will not receive certification and cannot take permit test.)
Students must be 15 years old by the end of their class session in order to take the permit test: test is taken in classroom if class size minimum of 24 is met.
Students must produce an official birth certificate, a MN state picture ID, an unexpired passport, or immigration papers in order to take the permit test on the last day of instruction. PLAN AHEAD.
Our instructor is a Minnesota Department of Education-licensed teacher who also has a license in teaching traffic safety education.
Parents will receive the instructor's telephone number to arrange the Behind-the-Wheel in-car training.
Student may pay tuition in three equal payments: \$120 upon registration, \$120 before end of class (in order to take the Permit Test), and \$120 before the Behind-the-Wheel classes can begin. Make checks payable to the Community Education office. We also accept VISA, MasterCard, and Discover. Exact cash only accepted in the ComEd office.
No refunds will be issued after the first class; non-attendance is a forfeiture of the entire fee.
\$30 administration fee is non-refundable after registration is accepted and completed.

Return lower form and make checks payable to Community Education, 1415 81st Ave. NE, SLP 55432.
