

Release Form to Waive Participation Fees

To have the athletic, fine arts or other programs associated with Spring Lake Park School District/Community Education waived or reduced, a parent/guardian must fill out the Application for Educational Benefits for free or reduced lunches and be approved. It is necessary to reapply for this benefit each school year. These forms are available online (After August 30) at www.springlakeparkschools.org. Forms are also available at the District Service Center or in each school's main office. The completed application should be returned to the Food Services Department located at 1415 – 81st Ave. NE in Spring Lake Park.

If the student qualifies for free or reduced price meals, the registration fees may be reduced or waived.
