

SUMMER IN 2011 THE PARK

A collaboration between Spring Lake Park High School and Learning Alternatives Community School

SUMMER COURSE OFFERINGS

Registrations are now being accepted from students who are interested in taking summer courses. Summer in the Park 2011 is a collaboration of Spring Lake Park High School and Learning Alternatives Community School (ISD 16 Area Learning Center). Our teachers and staff will give students the opportunity to experience learning during the summer by offering a quality program and the ability to choose from several options. Courses can only be taken for make-up credit. Courses may not be taken in order to accelerate during the school year. **Unless otherwise indicated, all summer school classes will be held at the Learning Alternatives Community School, 7925 Able Street NE, Spring Lake Park.**

Course enrollment is limited; early registration is recommended

There will be classes during the morning and afternoon as well as several other classes that may meet at different dates/times.

Summer session blocks will run **June 13—30 and August 1—11**. (A reminder that some courses will have different start dates. Please review the course descriptions.)

Classes will be held on Monday, Tuesday, Wednesday and Thursday.

THERE WILL BE NO SCHOOL ON FRIDAY.

June 13-30	Block 1: 8:30 am—11:15 am
	Block 2: 11:30 am—2:00 pm
August 1-11	Block 3: 8:30 am— 1:30 pm

***** Please read the course descriptions found on page 2 for more information and who to contact*****

HOW TO REGISTER:

Fill out the registration form on page 3. **Registrations are due May 13**. (Please retain the front portion. It contains start and end dates.) After this date, please call 763-785-5531 to see if the course is full or has been cancelled before sending in your registration.

Lab/materials Fee: No registration fee. For some classes there may be a fee to cover materials/trips.

** Please read through the information. Course descriptions are enclosed.

Transportation: Bus transportation **will be** provided. Out-of-district transportation **is not** provided.

Lunch: If you plan to be here all day, you may bring your own lunch or purchase a lunch in our Café LA. A break will be provided between the Block 1 and Block 2 sessions. During the Block 3 session, lunch will **NOT** be provided. You may bring your own lunch and eat during the 1/2 hour break provided.

More Information

Other Information:

Credit: Credits will be awarded after the completion of the course requirements. Most credits are awarded on a trimester basis as 1 trimester credit per course taken. However, if you are from a school with a different credit system, such as semester, your instructor will work with you to ensure that you have completed what is required for that credit amount. It is the student's responsibility to inform the teacher of this requirement.

* This information may change; please see your counselor/dean to make sure you can receive the credit needed.

*If you or your academic advisor have any questions, please call 763-785-5531.

Attendance: A student can miss no more than 2 days. If more than 2 days are missed, no credit will be awarded. Two tardies to a class will equal 1 absence. For other classes that meet at times other than during the day, the instructor will review expectations.

*** Classes are subject to change or cancellation based on registrants***

Summer Course Descriptions

Drivers' Education: Two sessions will be available. There will be no credit awarded for this course. **Contact Community Education at 763-786-1338 for more information and registration.**

Dry-land Training: This will take place at Fogerty Arena. Open to boys and girls. Skating experience is a must. Curriculum will be based on conditioning, lifting, shooting pucks, stick handling, etc. **Contact Mr. Benson at 763-795-6663 for dates, meeting times, and other information.**

Health: This course is a general study of individual and community health.

Independent Study: This allows students to work at their own pace on required or elective course(s) of their choice. **Courses students can make-up: Language Arts, Social Studies, Math, Speech, Economics and many others.**

Language Arts: 9-10-11: This course will feature an integrated approach to the study of literature and composition.

Math Offerings: Algebra 1 and 2, and Geometry.

On Line Courses: Students can make up credits by combining classroom and online work. Students will have face-to-face meetings with the teacher at least once a week. Students must have access to the internet from home. **Courses offered:** Math, Social Studies, English, Health, and Science. **Please contact Patty Smith for more information at 763-795-6647.**

Panther Mentor Training: See Mrs. Hatchner for more information and registration.

Physical Education: 9-10: Course will incorporate various activities and games to improve personal fitness.

Reading Strategies: This class is designed for students who are struggling in their core academic classes because they are having difficulties with the course reading requirements. Textbooks are often written at demanding, college levels and many students lack the necessary strategies to make sense of what they read. We'll work to help students deconstruct texts and make meaning. Students will learn a variety of different strategies with the goal of improving comprehension in all of their classes.

Science Offerings: Biology, Environmental Science, and Physical Science.

Senior Credit Completion: This independent study option is designed for seniors. Class will meet Monday-Thursday, 8:30 am—12:00 pm.

Social Studies Offerings: Economics, Human Geography, and U.S. History.

Summer Leadership Camp: Summer Leadership Camp is an intensive, 4-day learning experience for current and emerging student leaders. Students will develop valuable leadership skills, meet and listen to local community leaders, and apply their knowledge to a hands-on project. Small and large group meetings will provide students with opportunities to explore and discuss a variety of topics related to leadership. Students will also learn how they can use their leadership skills to make a positive impact in their school and community. **See Mrs. Bobbe for more information and registration.**

Weight Training: This course is for anybody wanting to improve individual strength. **Contact Community Education at 763-786-1338 for more information and registration.**

Work Experience/OJT: Students can earn elective credit while working during the summer. This is open to all students who are working.

Registration Form

Tear this page off and mail to:

Learning Alternatives Community School
Attn: Summer in the Park 2011
7925 Able Street NE
Spring Lake Park, MN 55432
