

“Let’s Eat!”

Raise Funds for Yourself and Park Terrace PTA through Food Perspectives INC.

What is Food Perspectives?

Food Perspectives is a consumer testing company located in Plymouth, MN. Their clients are major manufacturers of consumer food products.

How do we raise funds through Food Perspectives?

By registering men and woman ages 18-65 that are willing to take part in taste tests. Each time testers take part in a study they receive a payment of \$15.00 - \$30.00 and Park Terrace PTA is credited with an additional \$6.00 - \$9.00.

How are testers scheduled for a study?

Food Perspectives will contact you by phone or emails to participate in a study. The maximum amount of studies you may participate in during a year is 6.

When and where are the tests?

Food Perspectives has many test location in the Twin Cities. You will be invited to tests within a reasonable drive from your home. Both day and evening time slots are available.

Are there any restrictions?

- You must not have any allergies to food
- You must be between the ages of 18-65
- No one in your household can work for a food manufacturer or a marketing research firm.

How do I get started?

Simply complete the form below and return it to school. Your information will be sent on to Food Perspectives.

Already registered but for another organization?
