Treasures report:

We are still short \$1,700.00 for the candy bar sales. Invoices have been sent out to parents who still need to turn in their money and candy bars.

Woodcrest Principal- Judi Kahoun:

A big Thank You to all who donated food for the teacher conferences, it was very much appreciated. For professional development teachers worked on tier 2 vocabulary which are words used to make speaking more interesting, such as drowsy rather than tired. They are also working on Math talk which is a higher order of thinking with our students. We now also have 12 trained volunteers from Emanuel Christian Center working with 22 of our students with a variety of different needs, this is a great mentoring program new at Woodcrest.

School Board- Colleen Vranish—Colleen joined us as Kelly Delfs could not here. The board is busy working on the budget right now and feel free to contact a board member if you have any questions.

Tina Ericson: Tina came and showed us some of the great Tupperware products available in our Tupperware fundraiser. She is also donating all her profit and shipping costs to woodcrest PTA. Order forms are going home with the students on Thursday and orders will be due back on February 24th.

Kindergarten Teachers: Kindergarten teachers presented on their daily schedule with their students, and also that the social and emotional development is just as important as the academic development. Things to do at home are read, read and read some more. Ask questions about what they are reading and talk to kids about it. Also rhyming and counting at home are important.
