

Spanish Immersion School . . .

a supportive community focused on working together to ensure our students' academic, social, and emotional growth to achieve the Spring Lake Park Essential Learning Outcomes.

From the desk of the principal ... Mr. Larson

Next Tuesday, November 8, is an important day for our school district. Not only do we have a school board election, but also two questions on the ballot that are extremely important for the education of our students.

Question one is a no-tax-increase renewal of an existing levy. This levy was originally approved in 2002, and will expire in 2012 if not renewed. Not renewing this levy would significantly impact class size, program offerings, and the overall quality of the educational experience for our kids.

Question two would allow the district to replace outdated technology and properly maintain its technology program. It would also offer funding that would provide students and teachers with the newer technology and tools vital to a 21st Century school system, and for our students to compete in a 21st Century workforce.

At Westwood and across the district we are committed to providing each individual child with an education supporting our district vision: "High Expectations, High Achievement for All. No Excuses." Yesterday I received a letter from a parent whose child will be leaving to attend another school. In the letter she states that the staff at Westwood is "top notch," her child's teacher took the time to address her questions, her child spoke of him in a positive way every night, the counselor was warm and loving to her daughter and helped her with a friendship, the nurse was always friendly when calling her child in sick.

This is what truly matters to us at Westwood—your child. The funding from the two levy questions is important in our efforts to continue to provide a world-class education—to continue to do the best we can each day- for your child.

If you haven't had a chance to consider these two questions, I encourage you to learn all you can before voting on Tuesday, Nov. 8. You can visit SpringLakeParkSchools.org/Levy for Fast Facts, a levy video, voting information, and more. Or, give me a call if you have questions as I am more than happy to talk with you.

Tell us how you think the Spanish Immersion Program is doing

Thanks to all of you who filled out a survey at parent-teacher conferences! If you didn't complete this brief survey while attending Spanish Immersion conferences, you can now do it online. You'll find the survey on the Spanish Immersion website home page or simply by accessing this link: <http://bit.ly/WestwoodSpanishImmersion> The survey only takes a couple minutes to complete, and will be open through Wednesday, Nov. 9.

We are looking for a couple of volunteers to help supervise the Student Council representatives as they run the School Store from 8:20- 9am on a couple mornings each week. Days of the week the store is open will depend on when volunteers are available. If you are interested in helping out with this activity one day a week, a couple days, or as a substitute, we would love to hear from you! TWO LEVY QUESTIONS

Renewal of Question 1 and passage of Question 2 would sustain and enhance current programming, and avoid reductions that would result in increased class sizes, cutting student programs, and increasing fees for student activities.

Renewal of a Levy for Learning approved in 2002 and set to expire in 2012. **Approval would not increase taxes**, renewal would maintain current funding and programs.

Reliable technologies in classrooms and daily operations (maintenance and repair, replacement schedule for aging computers)

Technology-rich classrooms to meet the varied needs of learners

SCHOOL BOARD ELECTION
