Conferences

Just a reminder that conferences are next week on Tuesday and Thursday evening as well as Friday during the day. If you are unable to make your scheduled time please let us know so we can reschedule. Contact the Main Office at 763-784-8551.

We look forward to meeting with you.

Science Fair

Information will be provided to families at conferences regarding the science fair. We design our science fair to showcase student learning. Students can complete a project with a partner or on their own. The projects can be a collection, inquiry based, follow the scientific method, or a demonstration. The kids enjoy showcasing their learning to other students and parents at our fair in March.

Lock In

The kids had a great time at the lock in. We had plenty of food, fun, and time with friends. The students were well behaved. What an awesome group of kids. Thanks for everyone's support and help to make this a success.

PTO Corner

The next meeting is March 1st.
There will be no Meeting in February.
6:30—Media Center—child care provided
February 17th is the grades 4 and 5 Movie Night.
We are in need of a volunteer to coordinate the event.
(This is an easy event to coordinate.)
